Letter no C1. 2926/44-45 dated the 13th Dec. 1944 from the Director of Food Supplies, requesting sanction for the appointment of an Inspector of Godowns for the Depot Section, Bangalore, on a minimum pay of Rs 100/- plus Rs. 35/- C.A. per mensem.

1) The letter dated 25.XI.44 from the Assistant Director of Food Supplies, Bangalore, explaining the need for the appointment of an officer to supervise the working of the six Godowns in Bangalore city and to see to the maintenance of proper accounts and prompt remittances is for perusal. He states in his letter that Mr. D. Subramanyam who is now in charge of the above work is not suitable.

2) The Director of Food Supplies supports the recommendation of the Assistant Director (Depots) and requests sanction for the appointment of an Inspector of Godowns on a minimum pay of Rs. 100/- plus Rs. 35/- C.A. per mensem, for the Depot Section, Bangalore city. He also requests approval to appoint Mr. C.S. Somasekhara Rao (Special

officer, Karvest acquisition (on pay Rs 100 + 35 H.T.A. per mensem) against the above post. These proposals are for orders.

3) It will be seen from (i) G.O. No 80. 2053-57/A 77-43-5 dated the 20th/27th September 1943, that the Assistant Director of depots, Bangalore has a Special Amildar (on Amildar's Salary plus Rs. 50/- C.A.) + an Accountant on pay Rs 100/- p.m. besides a Special Amildar on Rs. 80 + 20 C.A. and other executive staff etc, to assist him in his work.

4) Mr. T.K. Kannan is at present the Special Amildar under the Asst. Director of depots Bangalore.

5) As the transactions in each of these Sub-godowns in Bangalore city are stated to be over a lakh of rupees per month, it seems necessary to make the Special Amildar if not the Assistant Director (depots) himself, responsible for this very important work.

If the present Official (Mr. M. Subramanyam who is doing this work is found unsuitable, he may be changed quickly and another competent official posted in his place. This would obviate the need for the creation of a fresh appointment of Inspector of Godowns" on Rs 100 + 35, as now proposed by the Director.

Yours:

Regd 31/12 6) There are in the depot section besides the Asst A.O. a Special C. Accld. and a Supervisor of depots. It should be possible for one of the two latter officers to inspect the Godowns frequently. The Godowns are adequately staffed and the transactions of these godowns are also subject to audit by the Accounts staff. The need for a separate Food Inspector for these Godowns is not very clear...

7) If it is a question of finding a place for Mr Somashekara Rao he may perhaps be sent back to the post of special O/P harvest acquisition which he held before he was deputed to Northern India.

8) If necy the Accounts & Audit Officer may be asked to examine the need for the addl post suggd

OFFICE OF
THE DIRECTOR OF FOOD SUPPLIES IN MYSORE

No.C1.2926/44-45.
Encls: One.

BANGALORE,

Date 13th December, 1944.

To

The Secretary to Government,
Development Department (Supplies),
Bangalore.

Sir,

Subject: Appointment of an 'Inspector of Sub-Godowns' for the Depot Section, Bangalore.

I have the honour to state that there are at present six sub-godowns in Bangalore City, from where stocks are issued to licensed merchants, Co-operative Societies etc., after receiving cash. As the transactions in each of these sub-godowns amount to over a lakh of rupees per month, it is considered very necessary and desirable to have an officer of a sufficiently high status to attend exclusively to the supervision of the working of these sub godowns.

2. In the circumstances, I request that sanction of Government may be kindly obtained for the appointment of an "Inspector of Sub-godows" on a minimum pay of Rs.100/- plus C.A. Rs.35/- per mensem for the Depot Section, Bangalore. I also request that approval of Government may be kindly obtained to appoint to the proposed post Mr. C.S. Somasekhara Ra B.A., Special Officer, Harvest Acquisition, who has just returned from his deputation in connection with the consignment of foodgrains from outside the State, and who has previous experience of work in the Depot Section.

3. A copy of letter No. AD.2634/44-45 dated 24/25th November 1944 from the Assistant Director of Food Supplies (Depots), in the matter is enclosed for the information of Government. (P.T.O)

I have the honour to be,
Sir,
Your most obedient servant,

(Absent from Headquarters)

TGS.2.

D.O. letter No.AD.2634/44-45 dated 24-25th November 1944 from the Assistant Director of Food Supplies (Depots), Bangalore to the Director of Food Supplies in Mysore, Bangalore.

--

I write to state that there are at present 6 sub godowns working in the City, from where stocks are issued to licensed merchants, Co-operative Societies and other institutions after recovering the cash. The transactions in each godown go up to 4-5 thousand of rupees per day and the total monthly transactions of each Sub Godown work up to more than a lakh of rupees. It is very necessary and desirable to have an officer exclusively for inspecting these Sub Godowns and to see that the accounts are written up properly, that cash is recovered properly and remitted promptly and also to see that the Revenue Inspectors, who have to deal with so many merchants and Depot Staff do not give room to any kind of complaints.

At present, Mr. M. Subramanyam has been instructed to inspect these Sub Godowns and check remittances etc., Though he has been doing this work, yet I feel that he lacks the personality and drive that is required to commend and control the Sub Godown staff and also to face Merchants and other public that go to the Sub Godowns. It is necessary to have one Officer called the 'Inspector of Sub Godowns' on the same pay as that of Food Inspector or preferably the Assistant Rationing Officer, who will be in the immediate charge of the working of these Sub Godowns. He will also to see that all the Sub Godowns are fully stocked with all the commodities. Myself and the Special Amildar are occasionally inspecting these Sub Godowns and are checking up the work. But we are not in a position to give as much attention as the work requires, as the minute examination of the accounts takes more than 2 hours at a time to review the transactions of the week, since we have got to attend to the work in so many other places such as the Railway Goods Shed, 32 Central Godowns scattered all over the City and the working of the Flour Mills where Wheat is being milled etc.

Hence I request that in the place of Mr. Subramanyam, an efficient Officer of the rank of an Assistant Rationing Officer or Food Inspector for the present may kindly be posted to be designated as 'Inspector of Sub Godowns." In this connection, I would like to mention the following 3 names for consideration, viz.,:--

1) Mr. Madhvaraj, Food Inspector.
2) Mr. Venkataramiah, Food Inspector, IV Division.
3) Mr. K.C. Puttanarasiah.

As it is very necessary that there should be an officer solely meant to supervise the work of the godowns, the total transactions of which amount to nearly 10 lakhs of rupees per month, immediate orders are solicited.
